

Founded in 1989, the **Pacific Chamber Symphony** blends the intimate clarity of a classical chamber ensemble with the power and tonal richness of the symphonic style. With 30 professional musicians under the dynamic leadership of Maestro Lawrence Kohl, PCS performs music from beloved classics and lesser-known treasures, to commissioned works by Bay Area composers. Recognized for their insightful interpretations and exquisite execution, PCS is also dedicated to making music accessible; each piece is introduced by Maestro Kohl, offering opportunities to explore the music in greater depth.

Pacific Chamber Symphony performs as a resident company at Livermore's Bankhead Theater, as well as in Lafayette. They appeared at the United Nations 60th Anniversary World Concert Celebration in San Francisco, and their "Mobile Orchestra" video collaboration with AKQA received a Silver Lion at the 2013 Cannes International Advertising Festival.
